FAIRM FOR SALE.

The subscribers offer for sale their farm, sit-
uated about two miles from the village of Bel-
low's Falls, on the Chester road, well known
as the
JOHN CLARK FARM.
Containing about three hundred and fifty acres
of land; two dwelling houses, three barns and
two tenant houses, near the railroad track.
The tenant houses are new. The large farm
house has been thoroughly repaired and paint-
ed, with new piazzas in front and end, new roof
over the piazza, and in the most substantial and
tasteful manner, making it a desirable residence.
Nearly three-fourths of a mile of new water pipe
from a never-failing fountain supplies all the
premises.

OVER TWO THOUSAND DOLLARS
has been expended within the past two years
on buildings and fences, besides the tenant
houses. The land is adapted to the raising of
all kinds of crops. Some fifty acres are well
adapted for cultivation, by having been used
for a large amount of hay and grain the past
two years, which has been brought on the
place, besides that which the farm has pro-
duced. The eastern line is the Connecticut
river and the farm lying westerly, divided into
pasture and tillage land, with a sufficient
supply of wood for the premises, situated so near
the village of Bellow's Falls—within the State,
and with its unlimited water power, which is
fast being improved, must continue to increase
in a still larger proportion in the future—makes
it the most desirable farm in these parts. The
season given immediately, except the mill
yard, and that in one year. Inquire of the
agent, J. Wilson & Co., near the depot, or of Wil-
son & Hopkins, at West River, Vt.

WILDER & HOPKINS.
Bellow's Falls, May 1, 1873. May 18th.

REAL ESTATE BROKER,
POULTNEY, VT.

Office: Derby's Block, 91 Front Street.

and to let. Money loaned on notes, mortgages,
life policies and other approved securities.
